WEBSITE SALES:

- If your organization has a website, a fundraiser logo will be emailed to you so you can place it on your site, then link the logo to <http://www.artisticflair.org/YourOrganizationNameGoesHere.html>
- Artistic Flair will work with your organization representative. They can furnish the correct wording and logo which Artistic Flair will use to design a webpage for your fundraiser sales.

THE PROCESS:

Let's use one of our current fundraisers - the *Mary Harrison Award* - for an example.

- Suzy Smith clicks on the fundraiser logo or text link - which is on *Harrison Award's* website and linked to their designed page at <http://www.artisticflair.org/harrison.html>. Suzy purchases "Mother Is Love" by clicking on the "add to cart" button. She is then routed to a Secure Credit Card site (credit information is not given to Artistic Flair).
- Artistic Flair receives an email that Suzy has successfully paid for "Mother Is Love" which is coded to read as "Mother Is Love - Harrison". Artistic Flair sends \$4.00 profit to the *Harrison Award* organization, including a copy of Suzy's purchase for their records. Artistic Flair mails Suzy her Keepsake Greeting Card and 6x9 envelope.
- For the *Mary Harrison Award* organization - no inventory, no expense, just profit.

LOCAL MARTIN COUNTY ON SITE SALES:

- Artistic Flair has varied size small plexiglas table displays for in-store sales, please call for details.
